Model #: A102-02M

2M (6-ft.) Toslink Digital Optical Audio Cable

Highlights

- Superior-grade optical fiber and precision polished optical terminations
- Best possible sound quality through digital fiber optic signals
- Immune to all forms of EMI/RFI

Description

Tripp Lite's 2 meter premium Toslink Digital Optical Cable provides the ultimate in pure, digital audio quality. Using superior grade optical fiber, and precision polished optical connectors, Toslink cables offer a clean signal at even the most extreme volumes to give you a detailed, rich sound. Tripp Lite warrants this cable to be from defects in material and workmanship for life.

Applications

- Home Theater equipment with Toslink connectors, including DVD players, DTS Surround-Sound receivers, CD players, mini-disk players, MP3 and DAT recorders, Computer Digital Audio cards, and Satellite dish receivers

System Requirements

- Home Theater or Stereo equipment with Toslink capabilities

Package Includes

- 2-meter Toslink Digital Optical Audio Cable

Features

- Digital Optical Fiber offers the best in Audio clarity
- Precision polished optical termination minimizes loss for better high frequencies, and a more realistic stereo image
- Ultra flexible PVC jacket construction makes installation easy, even in hard to reach areas
- Immune to all Electromagnetic and Radio-Frequency interference
- Eliminates distortion caused by inductance, capacitance, and resistance found in copper cables
