## Two-Shot Instrument Control Knobs

### Series #1231

Control knobs and levers in thermoplastic, with or without flange and index/graduations.

Knobs can be decorated or customized to your specific need.

Perfect knobs for synthesizers and other electronic applications.

A variety of shapes and diameters with plain, tapped bosses or with studs are available with standard threads to fit the application.

A wide range of soft touch control knobs available in thermoplastic overmold.

Colors available upon request.

Please note: Not all variations available are listed below. Please [contact Customer Service](#) to inquire about all available options.
