Dismantling Pliers

- For time-saving dismantling and stripping of all round sheathed and damp-proof installation cables (e.g. NYM cable)
- Simplified access especially into deep mounted junction boxes thanks to slim head design and optimally angled cable sheath cutter
- Strip cables easily and without damage thanks to circular cutting edge with depth limiter
- Suitable for universal use: precision wire stripping holes for conductors from 1.5 and 2.5 mm²
- With side cutters for cutting and trimming conductors, wires, small screws and nails
- All cutters additionally induction hardened to approx. 61 HRC for high wear resistance
- 30 % lighter than comparable pliers
- Vanadium electric steel, forged, multi stage oil-hardened
