

Datasheet

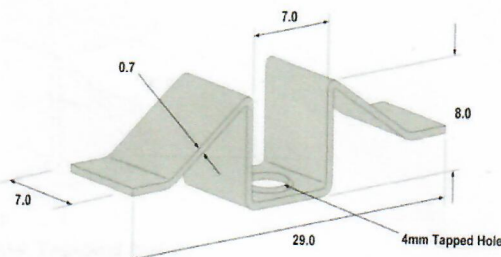

Heatsink Transistor Spring Clip

RS Stock number [131-1238](#)

(TSC506-ZP & TMC506-ZP)

Dimensions: (mm)

**TMC-506
ZP**
(Suits TO-3P double)

Specification

- Gull wing clips are an easy way of mounting one or two plastic case transistors in a small place.
 - Gull wing clips deliver a high mounting pressure to the centre of the transistor case providing maximum heat transfer
 - Suitable for use with any panel or pad thickness
 - Max Force is 7.5kg per transistor
 - Finished in Zinc Delta
 - Nylon Coated breakdown voltage of 750V
 - 3500V isolation from the transistor
- (See 485-8881 for NY version)

Other part numbers available:

RS Part No	DESCRIPTION	TYPICAL PART NUMBER		FINISH	Single or Double	Fixing
772-0284	Transistor Mounting Clip TO220	TSC209-ZP	TMC209-ZP	ZINC DELTA	S	M4
772-0287	Transistor Mounting Clip TO-3P	TSC405-ZP	TMC405-ZP	ZINC DELTA	S	M4
485-8881	Transistor Mounting Clip TO-3P	TSC506-NY	TMC506-NY	NYLON	D	M4
131-1238	Transistor Mounting Clip TO-3P	TSC506-ZP	TMC506-ZP	ZINC DELTA	D	M4
485-8897	Transistor Mounting Clip TO-220	TSC607-NY	TMC607-NY	NYLON	D	M4
131-1216	Transistor Mounting Clip TO-220	TSC607-ZP	TMC607-ZP	ZINC DELTA	D	M4
772-0275	Transistor Mounting Clip TO-3P	TSC704	TMC704-ZP	ZINC DELTA	S	Spring lock
