

# 28 81 280

## Long Reach Needle Nose Pliers with transverse profiles

- For gripping, adjustment and assembly work in hard to reach areas thanks to slim, very long design
- Deep down situated parts can be easily reached using the slim, half-round tips
- Careful yet reliable gripping, holding and guiding of small copper pipes, screws and cables as well as other round parts thanks to milled grooves with smooth surfaces
- Serrated pipe grip to grip round parts
- Particularly suitable for work in the automotive trade and in mechanical engineering
- Slim yet robust tool
- Forged from special tool steel, oil-hardened and tempered
