Part Number:

0351510219

Status:

Active

Overview:

VersaBlade Wire-to-Wire Connector System

Description:

VersaBlade Hybrid Plug Housing, 2 Circuits, Positive Lock, Natural, Glow-Wire Capable

|                                                                    |                                                                    |

| Product Name                  | VersaBlade                               |
| UPC                           | 756054256886                             |
| Physical                      |                                          |
| Breakaway                     | No                                       |
| Circuits (maximum)            | 2                                        |
| Color - Resin                 | Natural                                  |
| Flammability                  | 94V-0                                    |
| Gender                        | Plug                                     |
| Glow-Wire Capable             | Yes                                      |
| Keying to Mating Part         | None                                     |
| Lock to Mating Part           | Yes                                      |
| Material - Resin              | PET/PC                                   |
| Net Weight                    | 1.593/g                                  |
| Number of Rows                | 1                                        |
| Packaging Type                | Bag                                      |
| Panel Mount                   | No                                       |
| Pitch - Mating Interface      | 6.20mm                                   |
| Pitch - Termination Interface | 6.20mm                                   |
| Polarized to Mating Part      | Yes                                      |
| Stackable                     | No                                       |
| Temperature Range - Operating | -40° to +110°C                           |
| Solder Process Data           |                                          |
| Lead-freeProcess Capability   | N/A                                      |
