About Waldom

Waldom Electronics® is a master distributor of brand-name electronic components selling exclusively to a global network of distributors, never selling to OEMs or end-users. Molex's newest products are available through Waldom including the widest variety of "A" and "B" items and more challenging to stock "C" and "D" items. Make Waldom Electronics your source for Molex and Molex Industrial products. Waldom is an authorized master distributor for Molex Incorporated.
