Standard Heat Sink

Mechanical Outline Drawing

Thermal Curves

Thermal Resistance	10.40
---------------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
534302B03553	Space saving staggered fin heat sink with integrated tabs and clip 53	Black Anodize	View Hole Dimensions

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
