

SIM Card Reader

- Without switch
- For assembly on top of the PC-Board
- Tape and Reel Packaging (500 pcs./reel)

Technical drawing of a rectangular component, likely a printed circuit board (PCB) or a similar electronic component. The drawing shows the component's outline with various mounting features and dimensions.

Dimensions (in parentheses):

- Overall width: (6.10)
- Overall height: (3.60)
- Distance from top edge to first row of pins: (1.30)
- Distance from first row of pins to second row of pins: (1.00)

Labels:

- ②: Located at the bottom center of the component.
- ③: Located at the bottom right corner of the component.

The drawing includes a top view showing a series of pins along the top edge and two rectangular features on the left and right sides. A dashed line indicates a centerline or axis of symmetry.
